25 June 2013

Dear Ms. Czuj:

I am the Commanding Officer of 41 Service Battalion, a Reserve Force unit based in Calgary and Edmonton, Alberta. One of your employees, Ryan Rasmuson, is also a member of my unit.

On behalf of the Reserve Force, I would like to express my sincere thanks for your allowing Corporal Rasmuson time off to participate in Operation Lentus during the period 21 June to 25 June, 2013. Operation Lentus is the name given to the Canadian Forces Assistance Operation for the flooding situation in Southern Alberta.

As he may have already explained to you, he was employed as a Mobile Support Equipment Operator for a Forward Support Group. His responsibilities included ensuring that the Transport requirements of the FSG were met and it could run with efficiency and minimal disruption. The work that he did was instrumental in the overall success of the FSG and the Operation. I sincerely believe that this experience has provided him with personal and professional growth of unequalled value. In this sense, the benefit to your organization is also invaluable.

It is only as a result of your generosity that Cpl Rasmuson was able to participate in this activity. By doing so, you have also made a direct and unique contribution toward well-being of your fellow Canadians — a contribution few of us may ever have the opportunity of making.

Thank you for continued support of Cpl Rasmuson and the Canadian Forces. Please call me directly at (403) 614-7594; or call Cpl Rasmuson's Supervisor Captain Mathieu Brosseau at (780) 973-4011 Ext 2768 if you wish to discuss any aspect of his Reserve Force service.

Sincerely yours,

Dan M. Beauchamp, Lieutenant-Colonel
Commanding Officer
